Who can we give to?

Given that we are at a European Python conference in the UK we will concentrate on just 3.

The work done by the PSF - https://www.python.org/psf/ :

The mission of the Python Software Foundation is to promote, protect, and advance the Python programming language, and to support and facilitate the growth of a diverse and international community of Python programmers. —from the Mission Statement page

The Python Software Foundation (PSF) is a 501(c)(3) non-profit corporation that holds the intellectual property rights behind the Python programming language. Manages the open source licensing for Python version 2.1 and later and own and protect the trademarks associated with Python. Also runs the North American PyCon conference annually, support other Python conferences around the world, and fund Python related development with our grants program and by funding special projects.
The PSF is a corporation according to U.S. tax law, incorporated in the state of Delaware. The federal taxpayer ID ("04 number") is **04-3594598**.

EuroPython Society

Organizers of the EuroPython conference series.
Working for the Python community.

The EuroPython Society (EPS) is a Swedish non-profit organization which organizes EuroPython conferences, supports the Python community in Europe and holds the rights to the EuroPython conference series and trademarks.

The EPS was formed in 2004, with the mission to turn EuroPython into a successful Python conference series for the years to come.
